If saving for a deposit is preventing you from taking the step to buying your first home, or your next home, 'Deposit Unlock' could be the ideal scheme for you.

What is Deposit Unlock?

Deposit Unlock is a brand new scheme which has been devised by the housebuilding industry in collaboration with mortgage lenders to make buying your new home, or your next home, more affordable.

It offers first time buyers and home movers the opportunity to buy a new build home with just a 5% deposit (95% mortgage), meaning you could afford your dream Davidsons home sooner than you think!

The scheme offers access to mortgage products with competitive interest rates with a range of lenders.

Who qualifies for Deposit Unlock?

Not just for First Time Buyers, home movers looking to take their next step onto the property ladder also benefit from this scheme.

Deposit Unlock is available on selected properties and is offered on specific developments across our East and South Midlands regions.

The scheme is available to buyers looking for Davidsons homes with a max mortgage requirement of £750,000 (purchase price £832,000)**. Lender criteria applies, subject to availability.

Deposit Unlock can be used alongside our other services including Assisted Sale and Part Exchange, but not in conjunction with any other incentives.
