## Split Level homes

Plots 569 – 572

Our Split Level properties are truly unique and offer a stylish distinction between the zones and functions of the home. Just a few steps down can make a big impact to the layout, creating a feeling of more privacy and seclusion in the kitchen, dining area and garden. Ask your Sales Manager about our Split Level homes to find out more!

Images and site layout are intended for illustrative purposes only and should be treated as general guidance only. Site layout including parking arrangements (social/affordable housing, community buildings, play areas and public open spaces) may change to reflect changes in planning permission for the development. Please speak to your solicitor to whom full details of any planning consents including layout plans will be available.
